**INLAND WETLAND AGENCY**  
**SITE WALK MINUTES**  
**35 GROTON LONG POINT ROAD**  
**DECEMBER 4, 2013 2:00 P.M.**

ROLL CALL

Agency: Scott, Block, Williams, Sutphen, Ashworth  
Staff: Jones, Berry  
Others: C. Frost, J. Rossman, I. Cole

The Agency, staff and others met at 35 Groton Long Point Road at 2:00 p.m. They looked at the upland review area south of the flagged wetlands. Cole augured several holes to demonstrate why he had placed the wetland flags as shown on the preliminary plan. The Agency looked at the stone wall west of the wetlands and noted that the land slopes away from the wetlands beyond the wall. There was evidence of surface water flow in an area that appeared to be an old farm road. They looked at the wetland area adjacent to Route 1.

The walk ended at 3:00 p.m. No motions were made and no action was taken.
